Tips to navigating the I-20 request for students returning to UC Davis this summer who will need to be readmitted to continue in the fall:

You will need to fill out all the pages to create a complete application. Have your funding information, your Summer Session confirmation email, and a copy of your passport ready to upload.

- Log onto [https://iglobal.ucdavis.edu](https://iglobal.ucdavis.edu) (refresh your browser if you get a 404 error) using your Kerberos ID and passphrase. If your Kerberos is not working, please email your name and student ID number to SISSData@ucdavis.edu to have your Kerberos ID reset.

- Open the Document Request section
- Click I-20 for F-1 Students

- Open the I-20 Request Information Section

- If you are traveling and returning with a new I-20, check NO
- If you are transferring back, check YES
- You are an Undergraduate

- Check Bachelors readmission Students
- Check NO to NCAA/Math camp
- Check which session you will attend

- You must upload a pdf of your summer session acceptance email.

- Open the Biographical Information page
• You will enter passport and address information and upload a copy of your passport.

• You are required to have a foreign address outside of the U.S. while you are an F-1 student.

• You will be asked to choose how you want your document mailed to you.

• We recommend UEMS (eShipGlobal) if you need your document mailed quickly or are not in the U.S.

***Please contact an International Advisor at siss@ucdavis.edu to discuss this option.

• Enter your funding in the correct area. The areas shown are those most commonly used. If funds are not in your personal name, fill out the Personal Sponsor Funding Form.
- You must upload a bank statement showing the total from the first page. If bank statements are not in U.S. dollars, we will convert the currency.

2. If applicable, take a picture of the signed sponsor form and upload.

3. The highlighted sections are the most common ones.

- Open the **Dependent Spouses and Children** page

   - If you are married and have a spouse or children who will come with you as dependents, mark yes. Otherwise, mark no.

4. Open the **Current Immigration Information** page

   - If you are currently in the U.S., upload information to identify your visa status.

- Open the **Transfer an F-1 Program** page

   - If you are in F-1 status at another school and want to transfer to UC Davis, mark yes and fill out the information. This will send your current school the transfer verification form required for your transfer.

- Open the **Submit Document Request** page

   - This is the final page that will submit your request for an advisor to review.

**Additional Information:**

- You can make changes to any section of your submitted form by clicking New

- At times, an advisor will set your form back in draft status so you can make changes and resubmit that portion of a form.

- If a page is approved, you will see a checked box

  ![Complete](complete.png)

- If a page is denied, you will see a red X in the box

  ![Denied](denied.png)

- If you are transferring and your current school has not completed their portion of the transfer form, you will see an arrow
