Maintaining Status on STEM

Once you are approved for the additional 7 months you will need to do the following to maintain your STEM status:

a) Work at least 20 hours of paid employment directly related to your STEM major.

b) Not exceed 150 days of unemployment (Please note this includes the 120 day unemployment limitation from your initial OPT and 17 month STEM OPT).

c) Update SISS via OPT STEM Reporting within 10 days of any the following changes:
   i. Change in residential address.
   ii. Reduction in compensation for employment (only if is not a result of decrease in hours *).
   iii. Employer name and address*.
   iv. Change of status or transfer out of F-1 program.
   v. Termination of employment.
   vi. Complete required 6 month STEM validation report via STEM OPT Reporting even if there have been no changes through https://iglobal.ucdavis.edu (instructions)

vii. Complete STEM final assessment self-evaluation and submit to SISS before STEM expiration

* Requires you and your employer to complete a new I-983
If any of the following information changes you must complete a new **Form I-983** with your employer and submit it to SISS:

a) Employer name and address  
b) Decrease in your compensation (not as a result in reduction of hours worked)  
c) Reduction in hours worked to less than 20 hours a week  
d) Employer's EIN
