POST COMPLETION
OPTIONAL PRACTICAL TRAINING
FOR GRADUATE STUDENTS
OPT is an abbreviation for Optional Practical Training.

OPT is an optional benefit to F-1 status that allows F-1 students to take part in practical training full-time for one year after completing their program of study.
The most important thing to remember about OPT is **Timing**!

...but first
F-1 students are eligible when:

- They are enrolled on a full-time basis for one full academic year (9 months) on the same SEVIS Record.
- Training is directly related to the major field of study.
- They complete their program of study.
What does it mean to “complete my program of study”?

You have finished all the classes required for your program and
• You are in the process of completing your thesis or dissertation OR

• Filing fee - ok

Your completion date becomes your new I-20 program ending date.
• Quarter ending date or
• The last day of the month if you are working on-campus on a TA or GSR contract

Your completion date is NOT the day you graduate or receive your degree.
Complete degree requirements

- You must finish your program of study, before you can begin OPT.
- Your OPT start date is based upon your I-20 ending date.

Your program completion date becomes your I-20 ending date.
OPT can overlap Filing Fee
Recommended Timeline

• Do not apply for OPT more than one quarter before you file the thesis/dissertation.

Example: If you file too soon and plan to finish your thesis/dissertation while on OPT, you *may* not finish in time and will have no option to remain in the U.S. to complete your degree following OPT.

• Additional documentation from your academic advisor/PI is required to apply earlier.

• SISS recommends that you file the quarter before you file the thesis/dissertation.
Timing of the OPT Process

1. Submit iGlobal request three to four months before you would like to begin work.

2. Submit complete application with supporting documents to USCIS.

3. Stay in status while on OPT by reporting to iGlobal.
   - Check all the regulations about maintaining status here: [http://siss.ucdavis.edu/students/current_students/employment/OPT-info.html](http://siss.ucdavis.edu/students/current_students/employment/OPT-info.html)

Established in 1998, Services for International Students and Scholars (SISS) reports to the Vice Provost for Global Affairs. SISS is helping to build a campus community that includes students and scholars from over 100 countries and six continents. SISS serves over 6,000 international students, faculty, and researchers and their accompanying family members who come to UC Davis each year. We welcome the world to UC Davis.
